

Discord Server Documentation — Gistcraft

Server Invite: <https://discord.gg/uR3jBtCBU>

Role: Discord Moderator

Period: 2025 – Present

1. Server Overview

Gistcraft is an active Discord community built around shared interests, discussion, and collaboration. The server prioritizes a structured, welcoming, and safe environment, encouraging respectful interaction while maintaining clear rules and organization.

2. Role & Responsibilities

As an official Discord Moderator, I am responsible for enforcing server rules and supporting daily community operations.

Core Responsibilities

- Monitor chat activity to ensure compliance with server rules
- Apply moderation actions fairly and consistently
- Support members by answering questions and resolving issues
- Help maintain a positive, respectful, and inclusive atmosphere
- Collaborate closely with administrators and staff members

3. Rule Enforcement & Safety

Moderation Duties

- Issue warnings, timeouts, and bans when necessary
- Remove inappropriate or rule-breaking content
- Identify and respond to spam, scams, or disruptive behavior
- De-escalate conflicts and handle disputes calmly

Safety Measures

- Monitor for suspicious or harmful activity
- Support anti-spam and anti-raid prevention efforts
- Ensure community guidelines are followed at all times

All moderation actions are performed with fairness, transparency, and respect for community members.

4. Community Engagement

Beyond moderation, I actively contribute to community engagement by:

- Remaining present and responsive in public channels
- Encouraging positive discussion and healthy interaction
- Assisting new members and helping them navigate the server
- Supporting events, announcements, and community initiatives
- Creating a welcoming experience for both new and existing members

5. Tools & Systems Used

- Discord AutoMod
- Ticket systems for user support
- Moderation bots with role-based access
- Discord roles and permission management

6. Professional Standards

- Maintain confidentiality of internal staff discussions
- Respect user privacy and server policies
- Follow administrator guidance and moderation procedures
- Act as a professional representative of the moderation team

7. Summary

This role demonstrates my ability to:

- Moderate live, active Discord communities
- Enforce rules responsibly and consistently
- Engage and support community members
- Collaborate effectively with a moderation team
- Maintain safe, organized, and positive online environments

+ What fictional world would you live in?
