

## **Discord Server Documentation — Kurosai**

Server Invite: <https://discord.gg/kurosai>

Role: Discord Moderator

Period: Present

### **1. Server Overview**

Kurosai is an active Discord community focused on structured discussion, engagement, and collaboration. The server emphasizes safety, respectful interaction, and clear moderation procedures to ensure a positive environment.

### **2. Role & Responsibilities**

As a Discord Moderator, I am responsible for enforcing server rules, supporting members, and assisting administrators with maintaining order and community standards.

### **3. Rule Enforcement & Safety**

Moderation actions include issuing warnings, timeouts, and bans when required; removing inappropriate content; handling reports; and preventing spam, scams, or raids.

### **4. Community Engagement**

I actively assist members, guide new users, encourage positive discussion, and support server-wide initiatives to foster a welcoming community atmosphere.

### **5. Tools & Systems Used**

Discord AutoMod, MEE6, ModMail, ticket systems, moderation bots, and role-permission management tools.

### **6. Professional Standards**

All moderation actions are handled professionally, respecting privacy, staff confidentiality, and administrative guidelines.

### **7. Summary**

This role highlights experience moderating active Discord servers, enforcing rules consistently, and supporting a safe, organized, and engaging community.

**Appendix — Moderation Evidence**

+ *What fictional world would you live in?*
